

Programme 2012 NZASH Symposium v2 Ko Awatea, Auckland

June 22 Friday	Day 1: Simulation: A Safety and Quality Tool					
1000h	Opening and Introduction: Professor Jonathon Gray, Director, Ko Awatea					
1020h	Plenary Address: Simulation and Safety Dr Mark Meyer, Regional Simulation Physician Director, Kaiser Permanente Southern California					
1120h	Simulation and Systems Integration: what does it look like?	Chair: Carl Horsley Andrew Keenan Mike Shepherd Dave Galler Bob Henderson	Workshop: Disaster Preparedness	Christchurch NZASH members Dale Sheehan, Leona Robertson John Dean	Workshop: Moulage	Laerdal Technical Staff
1230h	Lunch					
1315h	FMEA Workshop: Using a Risk Analysis Tool to Generate Standardized Curricula and Measurement Tools	Mark Meyer	In-situ simulation: Tips, tricks and traps	Chair: Roy Pryer Martin Sowter Sandy Garden Mike Shepherd Pam Culverwell	Free Papers	David Cumin Jenny Weller Kylie Edwards Caitlin Bodian
1445h	Break					
1515h	Equipment/ facilities testing - and closing the QA loop	Chair: Carl Horsley Mark Meyer Sandy Garden Jane Torrie	Workshop: How do I teach teamwork? Start with a validated teamwork rater	Lead: Jenny Weller	Workshop: Developing and sustaining a lazy asset: what of the business case for a simulation facility?	Lead: Denise Dignam
1615h	Plenary: Creating a Just Culture Bob Henderson, Human Factors Programme, Air New Zealand					
1700h	NZASH AGM followed by networking with refreshments					

June 23 Saturday	Day 2: Simulation: getting it right					
0900h	Welcome to Day 2 and introduction to Denise Dignam Adjunct Professor, Faculty of Nursing, Midwifery and Health, University of Technology, Sydney					
0910h	Plenary: Simulation and Curriculum Integration Denise Dignam					
1000h	Workshop: Setting Objectives, Developing Scenarios	Lead: Luke Flynn	Free Papers	Caitlin Bodian Jane Kelly Alex Wordsworth	Workshop: Use of Video in Debriefing	Lead: Mark Meyer
1100h	Break					
1120h	Workshop: Teaching Communication using Structured Tools	Lead: Carl Horsley + Jo Soldan	Workshop: A National Skills and Simulation-Based Education Strategy What should it look like - how to progress it?	Sandy Garden, Chair, SSBE Reference Group	Skill-trainers: how are they evaluated? LapSim and ORSIM (fiberoptic airway trainer)	Dr Sylvia Lin Dr Paul Baker includes hands-on opportunity
1220h	Lunch					
1300h	Workshop: Debriefing Styles	Lead: Sandy Garden	Research Workshop: moving beyond participant satisfaction	Lead: Jenny Weller	Workshop: Troubleshooting Manikins and Equipment	Laerdal: Technical Staff
1430h	Break					
1445	Workshop: Challenging Debriefs	Lead : Jane Torrie	Workshop: Pause and Discuss Technique	Lead: Reena Patel	Sim Tech Meeting	
1550h	Final Comments and Close: Chair, NZASH and 2012 Symposium Team					
1600h	Close
